MORE DETAILS**

Penny Tompkins has a secret: she's a British assassin working in 1945 Amsterdam. She also has a problem: she's being framed for murder-- of a Nazi officer she was *supposed* to kill.

Now she must work with her handler and a French police inspector to solve the murder and save her cover before becoming the next victim!

- Inspired by real women of the SOE
- Mystery and Romantic Suspense
- Working Title: The Traveling Companion
